

K12 Technology Planning

A NYS K12 School District **Comprehensive Technology Plan** touches on a variety of other District planning activities.

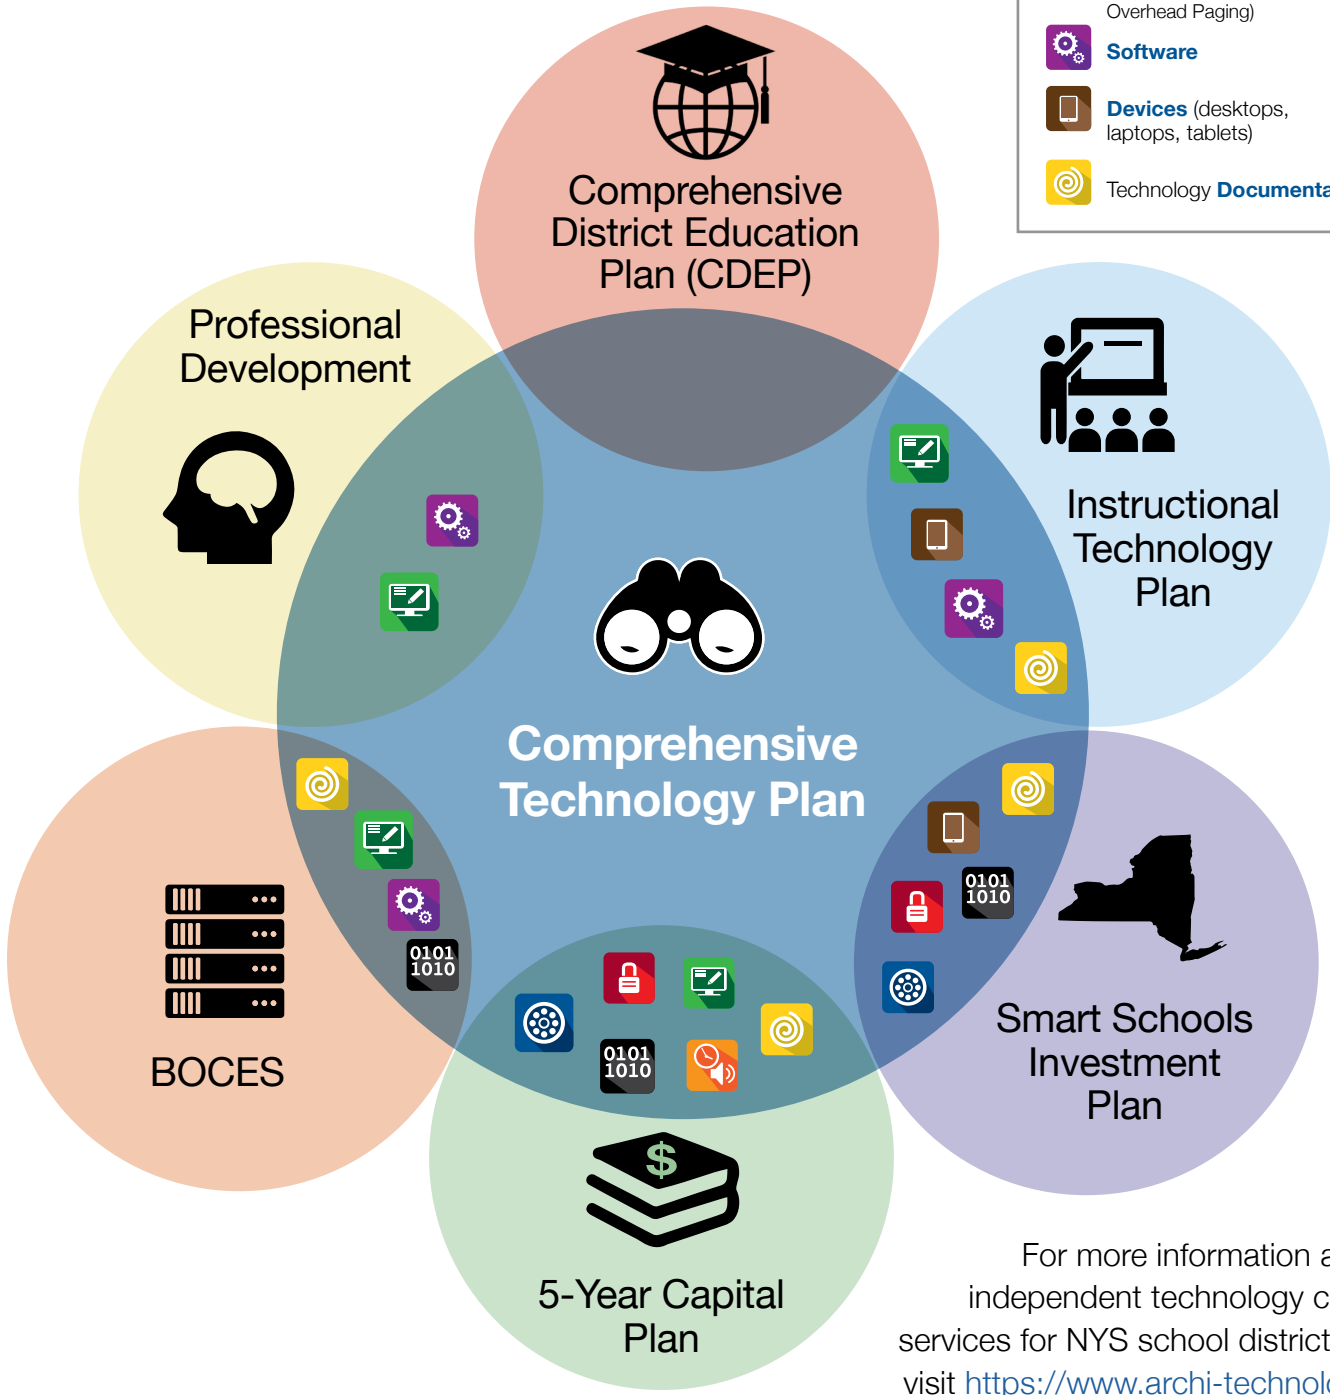

See the next page to see how these planning activities fund technology.

For more information about our independent technology consulting services for NYS school districts, please visit <https://www.archi-technology.com/nys-school-districts.html>

K12 Technology Planning

Funding to implement specific **Comprehensive Tech Plan** components is obtained through multiple sources.

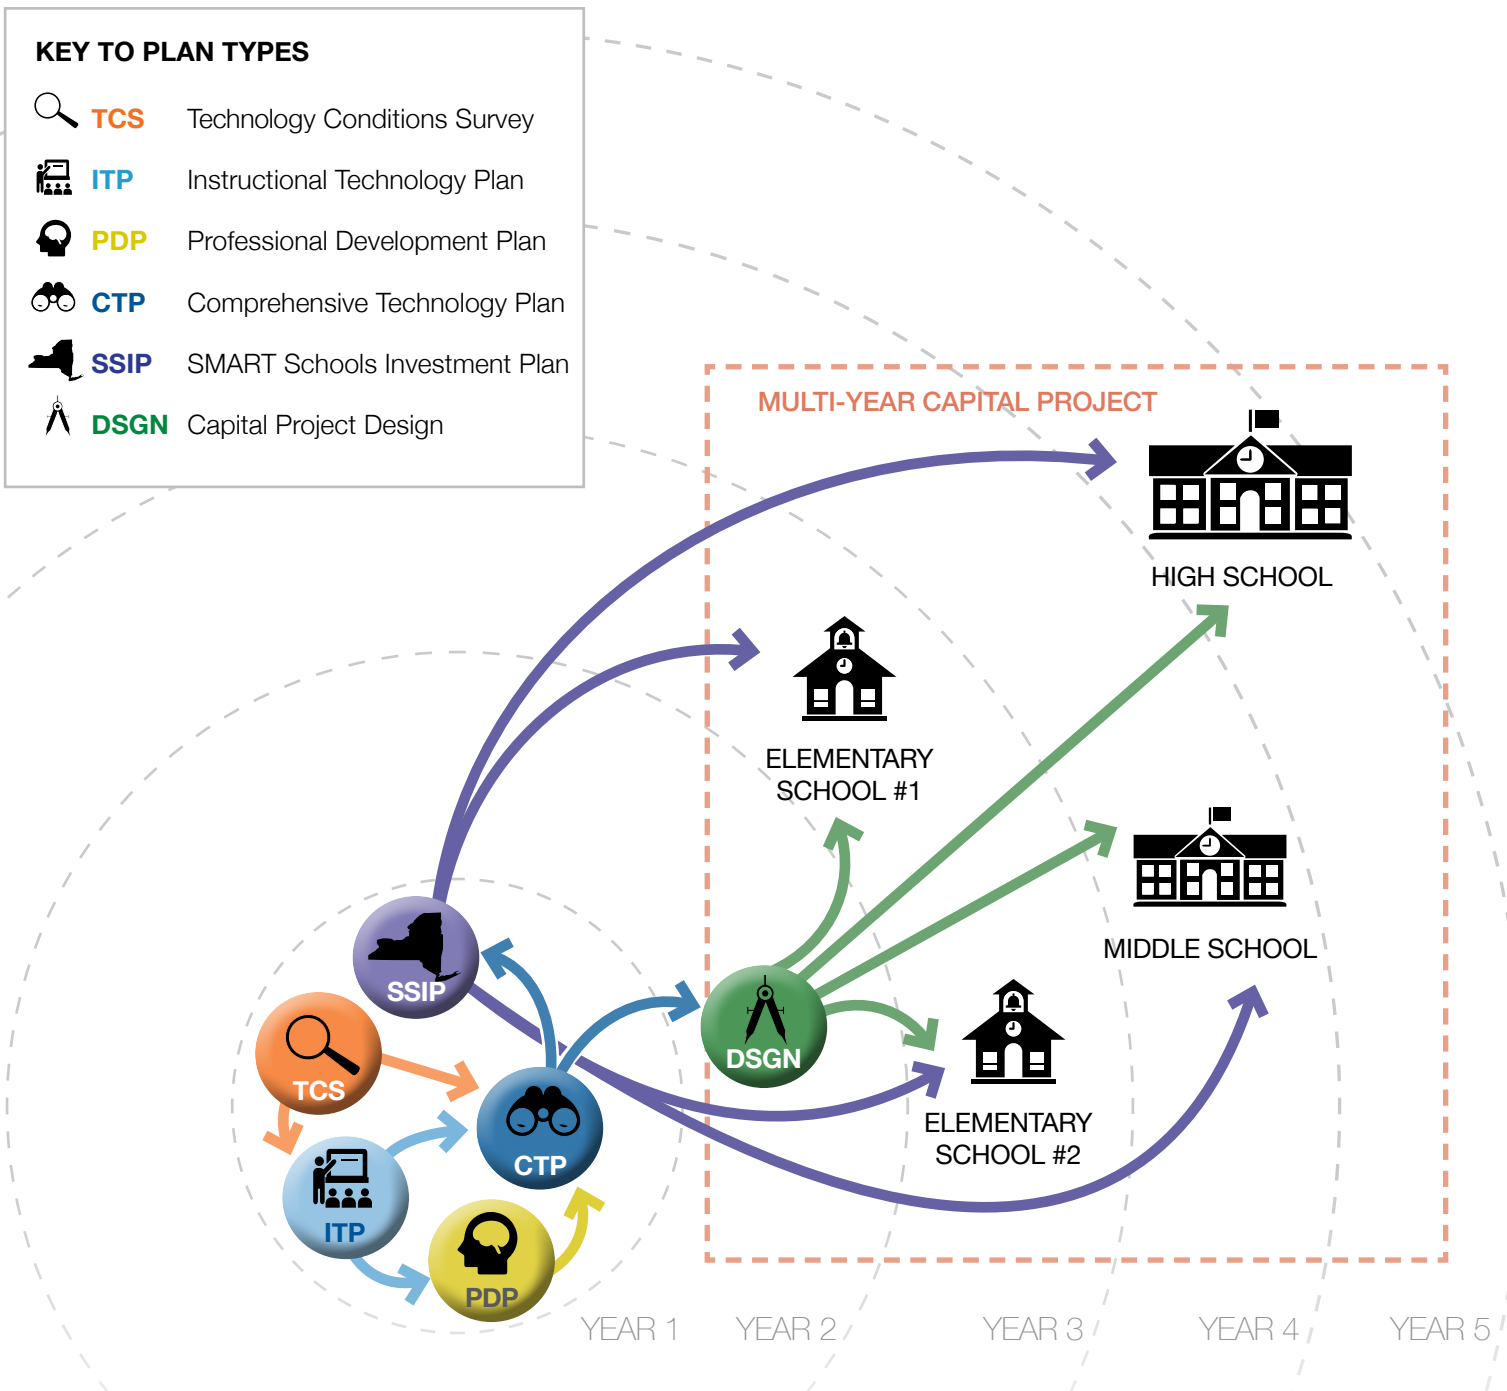

-  **CA** Cabling & Pathways
-  **CM** Data Networks
(includes **WA** Wireless Access, Devices and Networks)
-  **SS** Security Systems
(includes Access Control and Video Surveillance)
-  **Classroom Systems**
(projectors, whiteboards, etc.)
-  **AVD** Distributed AV Systems
(includes Master Clock and Overhead Paging)
-  **Software**
-  **Devices** (desktops, laptops, tablets)
-  Technology **Documentation**
