# ARCHI-TECHNOLOGY NYS K12 DISTRICT CLIENTS

As of Dec. 31, 2022, Archi-Technology has developed (42) Comprehensive Technology Reports and Plans for (39) school districts across seven RICs. Each Report was developed after extensive on-site surveys of technology infrastructure and seven IP-based technology systems.

The 10-Year Technology Roadmap developed from the Report's findings maximizes available funding sources while prioritizing projects based on dependencies.

View a sample Comprehensive Technology Report and Plan on our website. Then please contact **Kevin Zimmer** at **(315) 796-8212** or **kevinz@archi-technology.com** to schedule an onsite meeting to discuss your district's needs.

**WNYRIC Districts**
1. Fredonia CSD
2. Lakeshore CSD (Evans-Brandt)
3. Frontier CSD
